#### JUDGMENT

This is a petition purporting to be under Section 80 of the Representation of the People Act 1951 filed by Shri Satnam Singh Bajwa a Member of the Legislative Assembly of Punjab. It relates to the election of some Members of the Council of State by the elected members of the Punjab Legislative Assembly, which was held on the 28th March, 1964. It is alleged that four vacancies occurred by the retirement of members of the Council of State elected by the members of the Punjab Legislative Assembly on the 2nd April, 1964 and the election in question was notified to fill those vacancies. In this election respondents 1 to 4 Shri Anup Singh, L. Jagat Narain, Her Highness Maharani Mohinder Kaur of Patiala and Shri Uttam Singh Duggal were declared elected. The election of Shri Anup Singh and Her Highness Maharani Mohinder Kaur of Patiala is not challenged. The petitioner challenges the election of respondent No. 2 L. Jagat Narain and respondent No. 4 Shri Uttam Singh Duggal only. It is alleged that

L. Jagat Narain respondent No. 2 was not qualified to stand for the said election, inasmuch as he was not an elector for any parliamentary constituency in the State of Punjab and that the number on the electoral roll given in his nomination paper did not relate to him. It is also alleged that L. Jagat Narain is disqualified from seeking of election as he has been publishing advertisements on payment on behalf of the Central Government in his paper Hind Samachar and has been getting quota of paper for printing his newspaper from the Central Government under a contract and is thus disqualified under Section 70 of the Representation of the People Act 1951.

The petition alleges that Shri Uttam Singh Duggal respondent No. 4 was not qualified and was disqualified from seeking election as he was not an elector in a parliamentary constituency in the State of Punjab and that he had subsisting contracts entered into during the course of trade or business by him with the Central Government in the name of Messrs Uttam Singh Duggal and Sons in New Delhi and in other names for the supply of goods or the execution of the work undertaken by the said Government. Some construction works are mentioned in the petition which are alleged to be the subsisting contracts held by Shri Duggal. It is further alleged that Shri Duggal respondent No. 4 committed corrupt practice of bribery inasmuch as he himself paid certain amounts to electors named in the petition with a view to secure their votes.

It is also said that Shri Lachman Singh Gill, M.L.A. and Shri Prem Singh Marwaha, son-in-law of Shri Uttam Singh Duggal, who were his agents, supporters and workers with his consent and in his presence paid certain amounts to some electors with the object of inducing them to vote for them and that they committed the corrupt practice of bribery as defined under Section 123(1) of the Representation of the People Act, 1951.

The petition goes on to say that Shri Uttam Singh Duggal also committed the corrupt practice as defined in Section 123(1) of the Representation of the People Act 1951 inasmuch as Shri Fateh Singh with the consent of Shri Duggal got promises on oath from M.L.As. referred to in the petition on solemn prayers according to Sikh religion to support Shri Duggal on the 16th March, 1964, after the close of the meeting mentioned in the petition. Allegations relating to entertainment of electors are also made. Some allegations relating to some defeated candidates also have been made which it is not necessary to set out in detail in this order. Some irregularities are also alleged. The petitioner claims that the election of L. Jagat Narain and Shri Uttam Singh Duggal should be set aside for the reasons set out in the petition and Shri Jagan Nath respondent No. 9 may be declared as duly elected after recount and scrutiny of the votes.

Notices of the election petition were served on the respondents. Respondents 2, 4, 5 and 14 filed written statements. Vakalatnama was filed by Mr. D. N. Awasthi, Advocate, who appeared for respondent No. 3, but he filed no written statement on her behalf. Respondent No. 8 was present on the 27th July, 1964, in person. The other respondents did not appear. Mr. Hans Raj Sodhi, learned counsel, who appeared for the petitioner on the 27th July read out the petition and learned counsel for the contesting respondents briefly stated their defence and as requested by counsel for the petitioner the case was fixed for framing issues on the 4th August, 1964. The Tribunal further directed that if any party wanted to produce documentary evidence he should do so on that date and if it was not possible to produce the documents on that date, a list of documents which are sought to be produced should be filed on that date. On the 4th August, 1964, Mr. Lakhanpal who is also respondent No. 8, appeared for the petitioner and he asked for two days time to file such documentary evidence as may be in his possession and to submit a list of reliance within that period. The request was accepted and it was further ordered that parties may file their lists of reliance by the 8th August, 1964. After considering the pleadings, the election petition and the written statements filed by the respondents, the following issues were framed:

1. Whether S. Teja Singh could be joined as a party to the petition and whether impleading S. Teja Singh respondent No. 14 is non-compliance with Section 82 of the Representation of the People Act and the petition is liable to be dismissed therefor?

2. Whether there is any misjoinder of parties and the Tribunal should order separate trials of the allegations against the various respondents?

3. Whether the security deposit is inadequate?

4. Whether the security deposit has not been properly made? Can this issue and issue No. 3 be raised at this stage?

5. Whether the petition has not been properly presented according to Section 81(2) of the Representation of the People Act and, if so, what is its effect?

6. Whether the Under Secretary of the Election Commission was legally competent to receive the election petition? If not, what is its effect?

7. Whether the copies accompanying the election petition meant for being sent to the respondents were not attested as required by Section 81(3) of the Act? If so, what is its effect?

8. Whether the allegations in paragraph 4(d) of the petition are too vague and liable to be struck off in whole or in part?

9. Whether the allegations in paragraphs 5(b), 6, 22, 23, 25, 25(b), 25(c) and 26 are too vague and liable to be struck off? Has the petitioner failed to give full particulars relating to the time and exact place of the alleged acts of bribery?

10. Whether paragraphs 23 and 24 of the petition contain allegations against respondent No. 5, which are too vague because the time and place of the acts alleged are not mentioned and are these paragraphs liable to be struck off?

On merits:—

11. Whether the petitioner is a Member of the Punjab Legislative Assembly and is entitled to file the election petition?

12. Whether respondent No. 4 was not qualified or was disqualified to seek election for reasons given in paragraph 4 of the petition?

13. Whether respondent No. 2 was not qualified or was disqualified to seek election to the Rajya Sabha on the grounds mentioned in para 5(a) and 5(b) of the petition?

14. Whether respondent No. 4 committed all or any of the acts of bribery as alleged in paragraph 6 of the petition?

15. Whether S. Lachman Singh Gill and Shri P. S. Marwaha committed bribery as alleged in paragraph 7 of the petition?

16. Whether Rs. 25,000/- were paid by respondent No. 4 to Sant Fateh Singh as alleged in paragraph 10 of the petition for influencing certain votes?

17. Did respondent No. 4 get S. Fateh Singh to exercise undue influence on voters as alleged in paragraphs 12, 13 and 14 of the petition?

18. Did respondent No. 4 pay Rs. 25,000/- to Shri Joga as alleged in paragraph 5 to secure votes of members of the Communist Party?

19. Did respondent No. 4 pay Rs. 3,000/- to each of the three voters as alleged in paragraph 16 of the petition to secure votes for respondent No. 14? If so, to what effect?

20. Did respondent No. 4 entertain votes as alleged in paragraph 17 of the petition? If so, what is its effect?

21. Did respondent No. 4 pay Rs. 5,000/- to Shri Kultar Singh, M.L.A., to secure his votes as alleged in paragraph 18 of the petition?

22. Whether the ballot box may be opened and the votes examined for the purpose mentioned in paras 19 and 20 of the petition?

23. Whether respondent No. 2 made an appeal to the voters on the ground of his religion, caste, community and language, as alleged in paragraph 21 of the petition?

24. Did respondents 2, 4 and 5 with common consent commit the corrupt practice of undue influence as alleged in para 19 and 22 of the petition?

25. Were parties given by Shri Obrol in conspiracy with respondents Nos. 2, 4 and 5, as alleged in para 23 and, if so, what is its effect?

26. Were the amounts of Rs. 5000/- paid to each of the five voters named in paragraph 24 of the petition by Shri Oberoi for the benefit and with the consent of respondents Nos. 2, 4 and 5?

27. Has the result of the election been materially affected by material irregularities and corrupt practices as alleged in paragraph 25 of the petition?

28. To what relief, if any, is the petitioner entitled?

Learned counsel suggested that a date for hearing of preliminary issues may be fixed and wanted a month's time for preparation and also to produce such evidence as may be necessary for the disposal of the preliminary issues. It was ordered that the case should be put up for hearing on the preliminary issues on the 3rd September, 1964, and relevant evidence relating to the preliminary issues should be produced on that date. On an application made on the 14th August, 1964, the Tribunal passed an order on the 3rd September, 1964, when it was put up, allowing two weeks further time to the petitioner to produce papers or documents on which he would rely for the disposal of the preliminary issues. An application was made by respondent No. 4 for reframing certain issues but after due consideration the application was rejected. Learned counsel for the respondent produced two documents summoned from the Election Commission and requested that they be exhibited. These documents were shown to Mr. Lakhanpal, who said that he had no instructions about them and the petitioner was not present. In view of the nature of the documents they were exhibited and marked as exhibits. The receipt dated 6th May 1964 was marked Ex. R.4/1 and the copy of the election petition alleged to have been submitted by the petitioner, which was sent by the Election Commission to this Tribunal, was marked Ex. R. 4/2. No further evidence was produced by the parties and arguments were heard on issues Nos. 1 and 2 and the case was thereafter postponed to be taken up on the 29th and 30th September, 1964, as learned counsel, who had to come from outside, could not continue to stay on for the next day.

On the 29th September, 1964, the question relating to the propriety of Mr. Lakhanpal's appearance as counsel in the case was considered. It was alleged by respondent 4 that Mr. Lakhanpal had appeared for him before the Returning Officer and was thus not competent to appear for the petitioner. Mr. Lakhanpal contended that he had not been engaged by respondent No. 4 and was present before the Returning Officer on the date for scrutiny for the nomination as he was himself a candidate and he denied having received any confidential communication. Mr. Lakhanpal further stated that he had offered his services to the respondent No. 4 and had accepted the petitioner's brief only after his refusal. Arguments were heard and the hearing was continued to the next date, the 30th September, 1964. On this date when the case came up for further hearing Shri Lakhanpal did not appear and Shri Satnam Singh petitioner stated that he withdrew the Vakalatnama filed in favour of Mr. Lakhanpal and Mr. Harbhagwan Singh, Advocates, and that the Vakalatnama may be treated as cancelled. He asked for one day's time to appear again with another counsel for further arguments. This request was accepted and the case was ordered to be put up on the 1st October, 1964, at 2 P.M. On this date the petitioner did not appear and no counsel appeared on his behalf. The Tribunal waited till 2.40 P.M. and then proceeded with the hearing of the case. Respondents 2 & 4 were present in person with their counsel. Learned counsel for respondents pressed that the election petition should be dismissed as the petitioner was absent. The question that arose for consideration was as to whether the petition should be dismissed for default or should be dismissed on merits under Order 17, rule 3 C.P.C. The case was ordered to be put up on 3rd October, 1964, for orders so that if per chance the petitioner had failed to appear because of some unforeseen difficulty or accident he may turn up. The petitioner, however, did not appear; nor did he send any representative or application and the case has, therefore, to be disposed off. The Tribunal did not have the advantage of hearing any counsel on behalf of the petitioner on the 1st October, but learned counsel for the respondents tried to put the legal position in a fair manner.

The procedure before the Tribunal should be as nearly as may be in accordance with the procedure applicable under the Code of Civil Procedure to the trial of suits. This is subject to the provisions of the Representation of the People Act and the rules made thereunder. There is nothing in the Act or the Rules about the procedure to be followed when the petitioner is absent. In *Sunder Lal vs. Nand Ram Das Dwarka Das*, XIV Election Law Reports, 68, the Madhya Pradesh High Court has laid down that an Election Tribunal has inherent powers to dismiss an election petition for default if neither the petitioner nor any authorised

person appears on his behalf on the day of hearing; and to restore the petition if justice requires that such petition should be restored to the file. In *Mahitosh Saha vs. Mr. U. C. Mahtab & others*, Indian Election Cases 1935 to 1940, Volume II, page 319, the Election Petitions Commission of Bengal dismissed the petition when no one appeared on the date of hearing, which was fixed after the issues had been framed. No respondent, other than the two contesting respondents, was present on the last date of hearing and it is obvious that they are not interested in the petition.

My attention was invited to Order 17 rule 3 of the C.P.C. which lays down that "where any party to a suit to whom time has been granted fails to produce his evidence or to cause the attendance of his witnesses or to perform any other act necessary to the further progress of the suit, for which time has been allowed, the Court may notwithstanding any such default proceed to decide the suit forthwith". In the instant case the petitioner was allowed time to bring a counsel who would proceed further with a hearing of the case. He failed to engage any counsel and was himself absent. The Tribunal had, therefore, no course open but to proceed further with the hearing and decision of the election petition. In *S. Waryam Singh vs. S. Bahadur Sir Sunder Singh Majithia*, Indian Election Cases 1935 to 1950, Volume II, page 128, the Election Petitions Commission, Punjab, proceeded to decide the case under Order 17 rule 3 of the Code of Civil Procedure on an adjourned date of hearing. As mentioned above, some evidence has been produced and some arguments have been addressed relating to some of the issues in the case. I, therefore, proceed to dispose of this election petition under Order 17 rule 3 of the Code of Civil Procedure. My findings on the preliminary issues dispose of the election petition and it is, therefore, not necessary to consider the other issues, which relate to facts or the merits of the petition.

#### *Issue No. 1.*

Respondent No. 14, S. Teja Singh, has been impleaded on the allegations made in paragraph 16 of the election petition. The allegations briefly are that respondent No. 4 secured by payment three votes to assist Shri Teja Singh in his election to the Legislative Council and in his turn Shri Teja Singh helped respondent No. 4 by securing several communist votes for him. Learned counsel for respondent No. 4 contended that on the allegations made in the petition Shri Teja Singh was not a candidate and having regard to the provisions of Section 82 of the Representation of the People Act 1951, he could not be impleaded as a party to this petition and his being impleaded amounts to misjoinder of parties and may entail embarrassment in a fair trial of the case.

Mr. Lakhanpal, learned counsel for the petitioner, argued that S. Teja Singh was one of the duly nominated candidates in the election and he withdrew by the date fixed for nomination and, therefore, he did not remain a contesting candidate. A duly nominated candidate even if he does not contest is, according to the learned counsel, a candidate within the meaning of Section 82 of the Act and, therefore, S. Teja Singh was rightly impleaded.

Having heard learned counsel for the parties, it appears that there is no allegation in the petition to the effect that S. Teja Singh was a nominated candidate at the election to which this petition relates and the allegations about him are contained in paragraph 16 of the petition only. It is, therefore, not possible to find any basis for the arguments advanced by the learned counsel for the petitioner. Mr. Lakhanpal said that the Tribunal should take judicial notice of the fact that S. Teja Singh was a duly nominated candidate, but it was for him to produce list of nominated candidates if he wanted to rely on that fact. No list having been produced, the arguments cannot be entertained. The impleading of an unnecessary party may entail embarrassment and it appears that if the petition were to be heard on merits S. Teja Singh's name should be deleted from the array of respondent. So far as the petition itself is concerned, I am of the view that joinder of an unnecessary party is not fatal. This was also the view taken in XIX Election Law Reports, page 305.

#### *Issue No. 2.*

From the allegations as made in the petition, it does appear that the question relating to the propriety of seeking to avoid the election of respondent No. 2 and respondent No. 4 by filing one petition when the grounds in respect of each of these two persons are different, is not free from difficulty. As the case is not to enter upon the stage of a trial on merits or facts, learned counsel for respondent did not advance full arguments on this issue. The fact, however, remains that both these candidates were elected at one election and it is, therefore, not obvious

that there must be two separate petitions against them. There are some allegations against some other respondents as well but they do not arise in the circumstances of this case for consideration at this stage.

*Issue No. 3.*

The security deposit receipt was summoned from the Election Commission and is on record. If only one petition was competent, the security deposit is quite adequate.

*Issue No. 4.*

This issue was not pressed for consideration by counsel for the contesting respondents.

*Issues 5 and 6.*

Much emphasis was laid by counsel for respondents on these issues. The election petition was not presented by the petitioner in person. It was presented by Shri Jai Inder Singh, M.L.A., as his Special Attorney and the power of Attorney dated the 6th May, 1964, is on record (paper No. 50). This is attested by a Magistrate of the First Class and is endorsed as having been received with the election petition on the 8th May, 1964, in the office of the Election Commission, India. Nothing has been said as to why this power of attorney should not be accepted as having authorised Shri Jai Inder Singh to present the election petition. I am, therefore, unable to accept the respondent's contention about the impropriety of the presentation of the election petition. The other point which is the subject matter of issue No. 6, however, stands on a different footing. Section 80 of the Act says—"No election shall be called in question except by an election petition presented in accordance with the provisions of this Part". Section 81(2) reads as follows:—

An election petition shall be deemed to have been presented to the Election Commission—

- (a) when it is delivered to the Secretary to the Commission or to such other officer as may be appointed by the Election Commission in this behalf—
  - (i) by the person making the petition, or
  - (ii) by a person authorised in writing in this behalf by the person making the petition; or
- (b) when it is sent by registered post and is delivered to the Secretary to the Commission or the officer so appointed.

Learned counsel for respondent contends that there is nothing to show that the petition was delivered to the Secretary of the Commission. From the endorsement on the original petition forwarded to this Tribunal, it appears that an Under Secretary of the Election Commission, India, received the petition on the 8th May, 1964. In view of the fact that the Under Secretary has in fact received the petition the contentions urged by the learned counsel for the petitioner are:—

- (a) that an Under Secretary is also a Secretary,
- (b) that the Election Commission was competent to authorise an Under Secretary to receive petitions,
- (c) that the fact that the Under Secretary received the petition and made endorsement thereon and the Election Commission proceeded further to refer the election petition to the Tribunal accepting the receipt of the petition by the Under Secretary, should show that the Election Commission had authorised the Under Secretary to receive election petitions, and
- (d) that the endorsement relating to receipt of the election petition by the Under Secretary is an official act and there is a presumption that the Under Secretary was acting under proper authority.

(a) After due consideration it appears difficult to accept the argument that an Under Secretary is a Secretary. The mere designation of an Under Secretary shows that the officer is not a Secretary but one under him.

(b) It is not disputed that the Election Commission is competent to authorise any officer to receive an election petition. The legal position is not challenged.

What is disputed is the fact as to whether the particular officer who received this election petition was in fact authorised by the Election Commission. The respondent seriously challenged the authority of the officer who received the petition. More than a month elapsed after the framing of the issues and the petitioner did not care to summon any evidence oral or documentary to show the existence of the requisite authority by the Election Commission under which the particular Under Secretary who did receive the petition was competent to do so.

(c) The fact that the Election Commission acted on the petition as received both by the Under Secretary, is no proof of the fact that the Under Secretary had been duly authorised to receive petitions. Mistakes sometimes occur but they can be fatal. In a case (in *Re. Raune Lapre*) in the Allahabad High Court it was discovered that an affidavit sworn by the Deputy Registrar of the High Court was not a proper affidavit and no prosecution could be ordered on its basis because the Deputy Registrar had not been authorised by the Court to swear affidavits, though the Deputy Registrar had in fact been swearing affidavits for several years. When a fact is disputed it is necessary that the party relying on the existence of that fact must prove it. In this particular case the petitioner has failed to adduce any evidence whatsoever of the fact that the Under Secretary, who received the election petition, had in fact been authorised by the Election Commission to receive election petitions.

(d) The argument that because of the endorsement by the Under Secretary a presumption is raised that he was acting under proper authority cannot be accepted. The only presumption possibly that can be made because of the endorsement on the election petition is that the petition was in fact received by Shri Roshan Lal, Under Secretary, Election Commission, India, on the 8th May, 1964. There cannot be any further presumption about the authority under which Mr. Roshan Lal was acting especially when the authority was challenged by the respondents. Who contended that the Under Secretary who received the petition was not competent to do so. It was for the petitioner to summon and produce evidence to prove that Shri Roshan Lal, Under Secretary, had been authorised by the Election Commission to receive petitions. There can be no presumption about this disputed fact. In the absence of evidence it must be held that it has not been proved that this petition was presented to an officer authorised by the Election Commission to receive it. Of course it is admitted that it was not presented to the Secretary of the Election Commission.

#### *Issue No. 7.*

Copies of the election petition filed with the petition were sent to the various respondents. One copy was retained by the Election Commission and it has been summoned and is on the record of the case. It is Ex. R 4/2. On a comparison, Ex. R 4/2 with the original petition sent by the Election Commission for trial to this Tribunal, it appears that the only difference which is noticeable is that on page 18 at the end of paragraph 29, the words "the deposit receipt is attached herewith", is typed in the original petition and this addition is signed by Shri Satnam Singh, the petitioner. Otherwise both the copy and the original appear to be cyclostyled. According to learned counsel, Section 81(3) of the Act requires that every such copy shall be attested by the petitioner under his own signature to be true copy of the petition. On Ex. R 4/2, there is an endorsement as follows:—

Certified to be true copy of the election petition.

Sd/- Satnam Singh Bajwa,  
Signature of the petitioner.

Apart from the fact that the word 'Sd/-' is prefixed to the name of Satnam Singh Bajwa, under this certificate, a comparison of that writing with the signatures of Satnam Singh Bajwa on the copy itself and the original election petition shows obviously that this certificate is not signed by the petitioner. The law requires that the certificate should be over the 'own' signature of the petitioner. It is, therefore, clear that this provision of the law has not been complied with. Section 90 lays down that the Tribunal shall dismiss an election petition which does not comply with the provisions of Section 81. I have not been shown any case in which such defective copies were accepted as sufficient compliance of the requirements of the law. In another case where carbon copies had been filed for being sent to the respondents but the carbon copies were correct and bore the signature of the petitioner, it was held by this Tribunal that the filing of the

copies was substantial compliance with the requirements of the law. Carbon copies are produced by mechanical process. In this case the copies are cyclostyled copies produced by mechanical process; while in the original petition some addition has been made to paragraph 29, which addition has been signed by the petitioner, the addition to paragraph 29 made in the copy Ex. R 4/2 is in the handwriting of some person and it is not signed by the petitioner. It would not, therefore, be quite correct to say that copies are true copies. Besides, all the pages of the copies are not signed by the petitioner and there is no guarantee to their authenticity or correctness. In addition to this there is the absence of the certificate. The certificate over the petitioner's signature written out by somebody else is not the certificate required by law. The careless manner in which the copies have been filed, do not call for any indulgence. In the circumstances it has to be held that the copies were not attested as required by Section 81(3) of the Act and that this non-compliance with a requirement of the law makes the petition defective.

*Issues 8, 9 and 10.*

Learned counsel for respondents did not address arguments on these issues probably because the decision on these issues would have been necessary only if the petition was to be tried on merits relating to facts.

In the light of the above observations; especially in view of the findings on issues Nos. 6 and 7, the petition must fail and it is accordingly dismissed with costs. As the proceedings were rather brief, I assess the costs of the respondents Nos. 2 and 4 at Rs. 100/- each, which they will get from the petitioner. The respondents Nos. 5 and 14 will also get Rs. 50/- each as costs from the petitioner. The petitioner's costs is assessed at Rs. 100/- which he will bear himself. The other respondents have not contested and will not be entitled to any costs.
